GOOD-WILL AMBASSADOR PROGRAM**

Every year, the Yanai Rotary Club in Japan offers an opportunity for a student to visit Japan and to learn Japanese arts and culture. (Note: Yanai is a city of approximately 50,000 people located in southern Japan facing the Inland Sea. It is an old historic city with many light industries.) The terms of the arrangement follow:

- (1) One-month summer stay with Rotarians in Yanai, room and board provided.
- (2) Opportunities to learn tea ceremony, flower arrangement, calligraphy, and other arts.
- (3) Interaction with Japanese families.
- (4) Sight-seeing opportunities.
- (5) Some familiarity with the Japanese language and a demonstrated interest in Japanese culture are desirable.

If a Chancellor's Scholar is selected as the Good-Will Ambassador, s/he will receive a \$1,000 travel grant from the Campus Honors Program, and in addition the Champaign Rotary Club will also provide \$500.

To apply, the student should submit an application form (over) and a brief supporting statement explaining how he/she can serve as a good-will ambassador. Applications are due in the CHP Honors Office on April 17, 2024.
